

REMARKS

During a telephone conversation with Examiner Bellamy on February 9, 2005, she required a restriction which is now detailed in the Office Action of February 18. During that telephone conversation, I elected the Group II claims, with right of traversal. I also pointed out that there is a claim 78 in this application and which is on page 15 of the Preliminary Amendment dated August 10, 2004. Claim 78 depends from claim 74. Claim 77 is acknowledged as one of the Group 42-64 and 74-77 in the February 18 Office Action. The first part of claim 77 appears on page 14 of the Preliminary Amendment filed August 10, 2004 and the rest of claim 77 appears on page 15. Therefore, please include claim 78 along with the other claims in Group II.

It is expected that an Office Action on the merits of the claims 42-64 and 74-78 in Group II will be forthcoming in due course.

Respectfully submitted:
